A printed Copy of G.O. No. G.9055-69/G.M. 327-16-35 Dt 4-1-1918 Containing the revised Syllabus for the Training of Probationary Asst Commissioners in Elementary Engineering, is put up for perusal.

CBR 26/11 GPO

The revised course of training proposed by the Revenue Commissioner is as follows:--

1.	Training in the Taluk Office ..	4 months.
2.	Survey training ..	2 ,,
3.	Engineering training..	3 ,,
4.	Training in Treasury work	3 ,,
5.	Training in the District and Sub Division offices.	5 ,,
6.	Training in the Magistrate's Court. ..	1 ,,
7.	Independant Taluk charge	* 6 ,,

* This period may be so adjusted as to include the time of the Dittam & Huzur Jamabandi and part of the collection season.

It is a matter for consideration whether the Engineering training which takes up three months may not be dispensed with altogether. The course of instruction given, on engineering subject as will be seen from the Govt. Order of 4.1.1918, is not likely to help an Assistant Commissioner very much in his work.

NOTE—Contn. Sheet.

WD 02553—G PB—50,000—8-7 39

2. The training in District and Sub Division offices may be reduced from 5 to 4 months. The period of one month proposed for training in Magistrate's court is much too short and may be extended to three months. The period of independant charge may be fixed at 8 months instead of 6 months as proposed.

3. With these modifications, the course of training would be as follows:-

(1) Training in Taluk Office	..	4 months.
(2) Survey training ..	..	2 ,,
(3) Training in Treasury work	..	3 ,,
(4) Training in District and Sub Division Offices..	..	4 ,,
(5) ~~Training in Magistrate's~~ Court	..	3 ,,
(6) Independant Taluk charge	..	8 ,,

I think it would be a great pity to drop Engg training as proposed. As Revenue Officers they will have to do a lot with irrigation & ~~Road~~ Public works & some knowledge at least to understand intelligently the matters with which they will have to deal would be useful.

I would if need be allow a portion of the time in independent taluk charge to be put in after confirmation even. The other suggestions are acceptable to me.

Dear Mr. Rajagopalachar, 27/1/11/30

Though the system of training now prescribed for Probationary Assistant Commissioners provides for their spending a few months in a Taluk Office, this does not enable them to get sufficient insight into the duties and responsibilities of Taluk administration, which it is very essential but they should possess.

Government consider it desirable that Probationary Assistant Commissioners should actually be posted as Amildars and placed in independent charge of a Taluk for ~~a year or two~~ one term correspondingly the probationary period being extended if necessary ~~to three years~~.

I am desired to request you to kindly favour Government with your views in the matter as well as and to prepare ~~and~~ a revised programme of the training of Probationary Asst Commrs, keeping in view the object explained above.

Yours sincerely,

Mr. S. P. Rajagopalachari, B.A., B.I
Revenue Commissioner.

NEW PUBLIC OFFICES,

Dated, Bangalore, 20th November 1930.

No C2041/30-31.

Dear Mr. Madhava Rao,

With reference to your D.O. letter No. 1784/C.B.136-29-6 dated 1st November 1930 regarding the training of Probationary Assistant Commissioners, I write to state that I quite agree that it is desirable to place the Probationary Assistant Commissioners in independent charge of Taluks for some time. As the experience they would thus get would be very useful to them, I would suggest that the period during which they should be in independent charge of Taluks may be fixed at 6 months. This does not necessitate any extension of the period of probation beyond 2 years as shown below.

In this connection, I consider that as Assistant Commissioners are often posted to the charge of Magistrate's Court, it is necessary that they should also have some training in the work in the Magistrates' Courts. I would therefore propose that the course of training might include a period of one month during which the Probationers may be attached to a Magistrate's Court.

The periods for Taluk Office and District and Sub Division Offices' training prescribed in Government Order of 25th June 1919 may be suitably reduced, so that all the training prescribed for these officers may ordinarily be completed within 2 years. Where an officer is not found fully qualified, the period may be extended by another year.

I enclose herein, for favour of approval, a revised programme of training including the alterations now proposed by me.

Yours sincerely,

SRajagopal

Re: item (6), Training as 3rd class Magistrate.

The intention is not clear. There are no 3rd class courts now except Bench Courts. Is it intended to actually appoint them as 3rd class magistrates & if so how? Or are they to merely work in a Special Magistrate's Court?

There is no difficulty at all. The Probationer would be appointed as a Third class Magistrate after watching the work of a Senior magistrate for a few days, he would be given some transfer cases (Third class)
